

GEC VALSAD

Programme / Department: Mechanical Engineering

1. For event arranged “3D Printing Technology” Seminar

Event/ Program Name:-	Seminar
Purpose:-	3D Printing Technology
Organized by:-	Mechanical Department.
Dates/Days:-	06-09-2019
Time:-	11:00 AM to 12:30 PM
Venue:-	Room No.A-317 Conference room Mechanical Dept.
Content:-	<p style="text-align: center;">Mechanical Engineering Students & Faculties of institute present in seminar “3D Printing Technology”. Dr Yogi Gandhi has shown the recent trends and developments in the world regarding 3D printing Technology. 3D printers are capable of producing the type of customization that’s unattainable through mass manufacturing. Mr. Ashish Patel has demonstrated on 3D printer which they have brought by 3D printing a small component in printer. Sir has also explained about type of raw material required for 3D printing. Also sir has explained that depending upon the raw material how the product quality varies and also cost of the component.</p>
Guests/Experts:-	Dr Yogi Gandhi, Mr Ashish Patel- US Institute of 3D Printing Technology
