1. The particulars of the organization, functions and duties.

About organization:

Govt. Engineering College, Valsad is established in year 2004. The institute aims to provide quality education for professional courses that makes students knowledge with the subject domain and worthy citizen as well. It is an AICTE approved institute. The institute is affiliated with Gujarat Technological University (GTU), Ahmadabad. There are five degree Engineering disciplines Mechanical Engineering, Chemical Engineering, Electrical Engineering, Civil Engineering & Environment Engineering with total intake capacity of 420 students and one master engineering discipline Energy Engineering in Mechanical Engineering branch with total intake capacity of 18 students. The institute is located in academic environment surrounded by B.K.M. Science College and govt. Polytechnic. It is 3 km from Valsad railway station and 2 km from Tithal sea beach. Admission done by Joint Admission Committee, Ahmadabad as per the Merit marks of 12th Science Exam & GUJCET Exam. Govt. Engineering College, Valsad of Gujarat has spent around 16 Crores rupees for the construction of the building and laboratory development and granting funds every year for the developments. Student admitted before enrolled **VNSGU** and 2008 the year 2007 are in from the year studentsareenrolledinGTU.OurstudentsarewellacceptedbyindustrieslikeESSAR, Wipro, Atul Chemical, Dipak Nitrite and L&T.

❖ Vision

To strengthen learning outcomes, employability and quality standards by encouraging student centric approach to become the preferred institute for meritorious students.

Mission

- 1. Design and deliver academic quality standards with regular pedagogical intervention.
- 2. Effective active learning mode for laboratory hours with attainment of course outcomes indicators.
- 3. Strategic attempt to support weak students.
- 4. Need base faculty development plan with exposure to best practices.
- 5. Conspire to inspire for creativity, innovation and holistic growth.

❖ Directive:

The college offers six engineering courses at UG and PG levels to cater to the current and future needs of the industry as well as society. Objective of the college is to be at par with the changing technological environment
