

# **GOVERNMENT ENGINEERING COLLEGE, VALSAD**

## **An Expert Talk Report On**

### **FUNDAMENTALS OF INTELLECTUAL PROPERTY RIGHT (IPR)**

#### ***Speaker:***

**PROF. S. T. PATEL**

**Assistant Professor, Mechanical Engineering &  
Training & Placement Officer, GEC VALSAD**

#### ***Coordinator:***

**Dr. S. K. Srivastava**

**Assistant Professor, Chemical Engineering &  
IIC, IPR activity coordinator, GEC Valsad**

**25 August 2021**

## Details of Online Expert Talk

**Name of Expert:** Prof. S. T. Patel, Training & Placement Officer, GEC VALSAD

**Date of Expert Talk:** 25-08-2021

**Name of department:** Institute Innovation Council, GEC Valsad

**Number of Participants:** 159

**Event coordinator:** Dr. Sanjay Kumar Srivastava (IPR activity coordinator)

### **Objectives of Expert Talk:**

As the Central and State Governments have been promoting the activities associated with innovation and start-ups in educational institutions, SSIP Cell and IIC, Government Engineering College, Valsad jointly organized an expert talk on **FUNDAMENTALS OF INTELLECTUAL PROPERTY RIGHT (IPR)** on 25<sup>th</sup> August, 2021 for the purpose of contributing to activities related to intellectual property right under innovation and start-up. The main aim was to provide fundamental knowledge of intellectual property right to our students and faculties so that they can contribute more in this direction.

**Guest Profile:** Prof. S. T. Patel has completed his B.E. in Mechanical engineering from Sad Vidya Mandal Institute of Technology, Bharuch and completed his M. Tech in CAD/CAM from Sardar Vallabhbbhai Institute of Technology, Surat. He is also pursuing PhD in Mechanical engineering from same institute. At present, Prof. Patel is working as an Assistant Professor in Mechanical engineering department and very well known as a dynamic training and placement officer of GEC Valsad. He has also done PG Diploma in Intellectual Property Rights and filled two Indian patents which are now published.

### **Talk description:**

Institute Innovation Council, GEC Valsad has organized an online expert talk on Fundamentals of Intellectual property right (IPR) on 25<sup>th</sup> August, 2021. The expert talk was organised for all students (Semester-1, 3, 5, 7) and faculties of GEC Valsad. The expert talk comprised 159 (students and faculty members) of all engineering department. The programme was begun with welcome speech given by Dr. S. K. Srivastava (IPR activity, coordinator) and invited guest speaker to start the session. Thereafter, Prof. S. T. Patel has started the session and explained all the fundamental aspects of intellectual property right and the need of IPR in current system. This lecture on IPR met its entire desired objectives and students have understood the role of intellectual property right in their carrier. The session ended with a vote of thanks by Dr. S. K. Srivastava in appreciation to Prof. S. T. Patel for giving his time to educate the students on role of intellectual property right.

## WHY DO WE NEED AN IP SYSTEM?

"As a driver of human creativity, IP plays an important role in economic and social progress, as it has added the fuel of interest to the fire of genius"  
- Abraham Lincoln

- Enables people to earn
  - ✓ recognition
  - ✓ financial benefitfrom what they invent or create
- Aims to foster a balanced environment in which creativity and innovation can flourish

Just like a bicycle lock protects your bike against theft...

... Intellectual property protects your "intellectual creations" against theft.
