SSIP Project Scrutiny

03-09-2020 to 08-09-2020

Dr. V. S. Purani, the Head of the Institute addressing the meeting

Presentation in the presence of Head of Institute, Jury members (Shree U. K. Jethwa and Dr. Rakesh Motiyani) and other scrutiny members

Institute has adopted policy to accept a proposal for SSIP proposals for all day to bust up, strengthen and motivate the students for innovative projects. In this regard, the department level scrutiny have been organized online by each of the departments for selecting proposals to be presented at institute level and to suggest the required value addition in the proposal to make them more innovative. The summary of the department level scrutiny for the SSIP projects is given in Table 1.

Table 1: Summary of Department level scrutiny

Sr. No.	Department	Number of projects proposal presented	Number of projects Selected	Number of students participated in scrutiny
1	Chemical	5	5	23
2	Civil	20	15	76
3	Electrical	17	10	76
4	Environmental	7	4	38
5	Mechanical	67	32	260
6	ASH	2	2	10
	Total	118	68	483

SSIP cell had invited SSIP proposal seeking funding for its development as PoCs for institute level scrutiny. SSIP cell had received 68 proposal from all departments. To select only sound proposals for funding and to strengthen the potential proposal by providing inputs from industrial and academic experts, SSIP cell has organized the online institute level scrutiny for 68 proposals during 03-09-2020 to 09-09-2020. The students of 66 project groups have presented their proposal online in the presence of Head of the institute, expert members of scrutiny committee, SSIP cell, heads of the departments and SSIP coordinators of the departments. After the deliberation, discussion and reviewing the proposals thoroughly by all present expert members 35 proposal of approximate cost Rs. 1257550/- were selected for its development as PoCs. The summary of the department

wise proposals presented during institute level screening is as given in Table 2.

Table 2: Summary of projects selected by institute level scrutiny

Sr. No.	Department	Number of projects proposal presented	Number of projects Selected	Number of students participated in scrutiny
1	Chemical	5	5	23
2	Civil	15	9	15
3	Electrical	10	6	40
4	Environmental	4	2	23
5	Mechanical	30	13	90
6	ASH	2	0	10
	Total	66	35	201

Hence, it was decided that Heads of departments and mentor guides for the selected 35 PoCs to put all possible efforts to make development of prototype considering SSIP norms. For above 35 projects of total approximate financial support of Rs. 1231561/-under SSIP is sanctioned and permitted to Heads of Departments for its disbursement and execution.
